

# MILLIONAIRE M O M E N T U M

w o r k b o o k

TO HELP YOU ACTIVATE UNCOMMON ABUNDANCE BY THE END OF 2025

# Welcome to Millionaire Momentum

*"FAITH BEGINS WHERE THE WILL OF GOD IS KNOWN."*

– KENNETH E. HAGIN

Congratulations. You didn't just sign up for another  
summit or business event.

You enrolled in a divine movement.

A Kingdom movement.

This workbook is your prophetic activation journal,  
strategy guide, and covenant reminder all in one.

The world teaches hustle.

Heaven teaches momentum.

Momentum isn't forced, it's unleashed when faith,  
divine alignment, and obedience collide.

Here, we move differently.

We don't grind for breakthrough,  
we decree it, steward it, and multiply it.

Get ready to unlock the supernatural blueprint for  
becoming a millionaire messenger by the end of 2025.

Your inheritance is already written.

Let's walk it out, boldly.

# What is Millionaire Momentum?

Millionaire Momentum is not a fluke.  
It's a force.

## It's what happens when:

- Your faith becomes aggressive
- Your strategy becomes prophetic
- Your wealth becomes a weapon of righteousness

This is what Myron Golden calls  
*"condensed decades into days."*

God is accelerating timeframes when faith meets  
full obedience.

*"God is not trying to take from you,  
He's trying to get more through you."*

– Myron Golden

## Prompt:

- What would shift if you actually believed it was possible to make your first (or next) million by the end of 2025?
- Who would be impacted if you stopped delaying and stepped fully into momentum?

## Reflection:

Write 3 breakthroughs you'd like to see in your business  
or finances before the end of 2025.

# Faith Is Your Funding

*"MONEY DOESN'T RESPOND TO EFFORT.  
IT RESPONDS TO FAITH."*

– NGONI RIVETE

This journey isn't about what you have in your bank account. It's about what you believe in your spirit.

Jesus didn't multiply fish because they had enough. He multiplied because there was demand, and a disciple who believed enough to lift the little they had.

Millionaire momentum starts with the faith to lift what you've been minimizing.

## **Activation:**

- Stop saying, *"I don't have enough."*
- Start declaring, *"I have seed. I have strategy. And I have supernatural backing."*

## **Reflection Question:**

Where have you been underestimating the power of what you carry?

# Faith Is Your Funding

TAYLAN MICHAEL SAYS IT BEST:  
*"GOD FUNDS WHAT HE ASSIGNS. PERIOD."*

The reason your previous business plans failed may be because they weren't your assignment.

You don't need more motivation,  
you need more alignment.

When God gave you that idea, product,  
ministry or program,  
**He attached an entire economy to it.**

But you won't see the overflow until you step into it fully.

## **Prompt:**

- Is your current offer, brand, or product actually aligned with your divine assignment?
- Or are you trying to monetize a distraction?

## **Reflection:**

Ask the Holy Spirit:

*"What is the Kingdom assignment attached to my business/ministry in this season?"*

# Breaking the Spirit of Lack

*"YOU DON'T NEED DELIVERANCE FROM POVERTY.  
YOU NEED REVELATION OF YOUR INHERITANCE."*

– KENNETH HAGIN (PARAPHRASED)

Most Christians aren't broke because they're lazy.  
They're broke because they're spiritually disconnected  
from their legal right to overflow.

This is why you can tithe faithfully, pray fervently, but  
still live frustrated, because faith without  
possession is incomplete.

You don't need another money mindset workshop.  
You need to cast down the spirit of lack that's been  
squatting on your inheritance.

📌 **Decree This:**

*"I renounce every familiar spirit of insufficiency, fear,  
and generational lack. I am a child of the King.  
I lack no good thing."*

✍️ **Reflection:**

What generational beliefs about money need to be  
broken today?

# Killing the Shadow You

INSPIRED BY PROPHET TOMI ARAYOMI

There's a shadow version of you, a familiar spirit designed to misrepresent you and keep you small.

This version:

- Hesitates when you should advance
- Fears judgment more than failure
- Dims your light to keep others comfortable

This spirit is not you, it's an imposter.  
And in this season, God is killing it on your behalf.

## **Truth Drop:**

You are NOT required to resuscitate what God is burying.

## **Reflection:**

- What does the “shadow you” look like?
- In what moments does it show up?
- What does your true identity look, sound, and act like?

## **Declare:**

*“The shadow dies today. I walk in full light.”*

# Your 7-Figure Thought Audit

*"YOU'RE NOT TIRED. YOU'RE UNDECIDED."*

– SHANDA SUMPTER

Let's audit your thoughts, decisions, and schedule.

## **Audit Questions:**

1. Where am I being busy but not bold?
2. Where am I discounting instead of deciding?
3. What \$10K–\$100K solution am I sitting on because I'm scared to price accordingly?
4. Who has access to my time but not aligned with my mission?
5. What would I build if I trusted God's provision completely?

## **Assignment:**

Write 1 decision you've been avoiding,  
and make that decision before the sun sets.

Once you've decided, take an immediate action on that  
decision with urgency.

# Daily Millionaire Declarations

**Start your mornings with power:**

- *“I attract clients who value what I carry.”*
- *“I build wealth with righteousness, boldness, and rest.”*
- *“I have the mind of Christ and the strategy of Heaven.”*
- *“I sell with integrity and scale with Kingdom excellence.”*
- *“God’s power is working in my business daily.”*

## **Bonus Tip:**

Voice record these declarations over instrumental worship or meditation music. Play them back daily while getting ready, driving, or journaling.

You can also listen to a guided declaration track that I already recorded for you.

You are not disqualified.  
You are right on time.**

God is accelerating your assignment, and now you must rise with clarity, conviction, and courage.

## **Prophetic Charge:**

This is your season of sudden momentum.  
Heaven is backing your bold steps.

You are being mantled for multiplication.

No more hesitating when Heaven is shouting: GO.

## **Action Step:**

- Screenshot this workbook.
- Post your favorite line or declaration on IG.
- Tag **#MillionaireMomentum** and invite others into the overflow.

# A Personal Message from Alisha Bradley

If you made it to this page, I want you to know this:  
you are not here by accident. The desire in your heart to live in  
overflow, to prosper, and to build with purpose was planted  
there by God Himself.

You weren't born to blend in. You were born to break  
generational cycles, to build Kingdom wealth, and to walk in  
divine authority.

I spent years healing, learning, and unlearning what the world  
taught me about success. I used to believe that being spiritual  
meant staying small. That wealth and worthiness couldn't  
coexist. That humility required hiding. But I was wrong. And  
maybe you've believed some of the same lies, too.

But not anymore.

This is your time.

Not to hustle harder, but to align deeper.

Not to chase money, but to claim provision.

Not to beg clients, but to command your value with Godfidence.

The Millionaire Momentum you desire isn't found in striving.  
It's found in obedience. Boldness. And prophetic execution.

I believe in the anointing on your life.

And I believe what you're building will leave a legacy.

Now go rise like royalty.

Go serve like Jesus.

Go prosper like a child who knows their Father owns it all.

I'll be cheering you on, and I'll see you at the  
Millionaire Momentum Online Global Symposium.

With great expectation,

**Alisha Bradley**
